TECHNOLOGY IN THE CLASSROOM

+ CAMPUS WIDE WI-FI

LAPTOPS

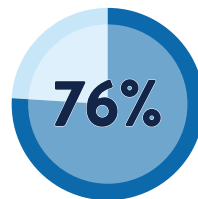

TABLETS

DESKTOPS

Our commitment to incorporating technology into the classroom has our current student to device ratio at **1.28 devices per student**. Ensuring our scholars have the tools for success.

FREE & REDUCED LUNCH

As a CEP school, we offer free lunch and breakfast to all students, regardless of individual family income. This metric helps us track our student population to ensure we offer all available federal assistance to our scholars.

STUDENT, TEACHER, PARENT TRIAD

As a district, we understand our students have lives away from school, so we partner with their families to develop an understanding of what that life is like to help better serve our students.
